John R. Voorhis, III
Chairman, Membership
Holland Society of New York

Dear Mrs. Voorhis;

I am enclosing perox copies of family Bible records as requested in your June 16 letter concerning my application for membership.

The pages copied had been torn from the Bibles before I received possession but were still with the Bibles. Pages marked A and B are from the Bible owned by Wm. Holloway Van Vranken and pages C thru F are from the Bible owned by John Witbeck Van Vranken. The Family Bible references applied to both the direct line and the supplement about ancestors' wives as follows:

Direct line
line 4 - Bible pages C and E
line 3 - Bible page D
line 2 - Bible page B

Wives of ancestors
line 5 - Bible page F
line 4 - Bible pages C & E
line 3 - Bible page H

Bible page 2 also indicates that John Witbeck Van Vrancken was the father of Dr. Adam Van Vrancken who was a member of the Holland Society.

The information in my application differs somewhat from the copy of Robert E. Van Vrancken's application, that was attached to my application, in being more complete. Robert did not have access to the Bible records when he completed his application which I used both as a guide and reference.

My apology for not having answered your letter sooner. I have been away from home since early June, returning for a short time late in July when I found your letter. When I called the Society office about more detail concerning documentation, I found out about the August closing. I will be returning home about September 16. If further documentation is needed, please let me know and I will try to comply.

Very truly yours,
Wm. F. Van Vrancken
